

## Report on National Statistics Day Celebrations – 2026

National Statistics Day was celebrated with great enthusiasm by the Department of Statistics & IQAC at Keshav Memorial Institute of Commerce and Sciences, Narayanaguda, Hyderabad, on 29 June 2026. The programme was organized to commemorate the birth anniversary of **Prof. P. C. Mahalanobis, the Father of Indian Statistics**, and to create awareness among students about the significance of statistics in decision-making and national development.

The celebration commenced with a brief introduction highlighting the importance of National Statistics Day and the invaluable contributions of Prof. P. C. Mahalanobis to the field of statistics. The theme for the celebration, "**Unblocking the Potential of Administrative Data**," emphasized the growing role of data and statistical analysis in governance, business, healthcare, education, and scientific research.

As part of the celebrations, two student competitions were organized:

**PowerPoint Presentation on the theme "Statistics: Empowering the Decisions through Data"**

**Statistical Crossword Puzzle**, designed to enhance students' understanding of statistical concepts in an engaging and interactive manner.

The competitions witnessed enthusiastic participation from undergraduate students, who demonstrated excellent analytical, presentation, and problem-solving skills. Faculty members served as judges and evaluated the participants based on well-defined rubrics.

The valedictory session was graced by **Dr. J. Nageswara Rao**, Director, KMES and the Principal, **Mrs. P. Shravanthi**, who addressed the gathering and appreciated the efforts of the Department of Statistics & IQAC in organizing meaningful academic activities. They encouraged students to develop data literacy and analytical thinking, which are essential skills in today's data-driven world.

The winners of the competitions were felicitated with prizes in recognition of their outstanding performances. The Principal congratulated all the prize winners and appreciated every participant for their active involvement and enthusiasm.

The programme concluded with a Vote of Thanks delivered by **Dr. V. Sumalatha**, Head Department of Statistics, expressing sincere gratitude to the Principal, faculty members, judges, IQAC, organizing committee, student volunteers, and all the participants for making the event a grand success.

The celebration successfully promoted statistical awareness among students and reinforced the importance of statistics as a powerful tool for informed decision-making and sustainable development. It also reflected the institution's commitment to fostering academic excellence, innovation, and experiential learning through co-curricular activities.
