Dear Officer,

Please allow us to address a few COVID-19 related concerns for admitted UMBC students:

Fall 2023 Course Delivery Method

UMBC is operating with a combination of online, hybrid, and face-to-face modes of instruction as defined by the Student and Exchange Visitor Program (SEVP) Broadcast Message: "Coronavirus Disease 2019 (COVID-19) and Potential Procedural Adaptations for F and M nonimmigrant students" issued on March 9, 2020, and SEVP's subsequent "Clarifying Questions for Fall 2020 Based On March 9 Spring Guidance Broadcast" on July 24, 2020. The U.S. Department of State's Bureau of Consular Affairs clarified in their July 24, 2020 update and FAQ entitled "SEVP Online Course Guidance for F and M Students for Fall 2020" that students who satisfy SEVP requirements may be eligible for a visa.

UMBC is committed to ensuring that all new international students meet these requirements and participate in non-online course options. Thus, admitted UMBC students are eligible to apply for a student visa and should be granted admission to the United States as an F-1 student. Thank you for assisting the student in this process.

Electronically Issued I-20

Please accept the electronically signed I-20 carried by this student. This I-20 has been issued in accordance with the SEVP COVID-19 guidance, which also assures cooperation from DOS and CBP.

The SEVP's COVID-19 FAQ can be found here:
<https://www.ice.gov/doc8/coronavirus/covid19faq.pdf>

The following language from the May 12, 2020, update, is relevant to this situation:

Electronic Form I-20 Issuance (page 6):

1. Can DSOs electronically send signed Forms I-20 to students instead of physically mailing the forms?
