Report on Educational Tour to R.A.Silks, Warangal.

Keshav Memorial Institute of Commerce and Sciences, Narayanaguda organized an educational tour exclusively for the Second year students of M.Com to R.A. Silks, Warangal on 23-12-2017. Nearly 23 students accompanied by the lecturers visited the place.

Educational tour is a kind of off-the-class teaching where the students get an opportunity to observe the working conditions of a commercial unit where goods/services are produced. It also helps in knowing how the work is distributed to different departments.

R.A. Silks, Warangal (Sericulture unit) is one of the Private Limited companies which is involved with weaving, spinning, finishing and blending of silk. The company is situated in a serene place which is accessible to workers.

Collecting information about the Mulberry crop its its role to develop the cocoons

Staff and students at R.A. Silk, Warangal

Students observing the rolled thread at manufacturing site.

Employees explaining the use of machinery and the process undertaken.
