

ACTIVITIES 2020-2021

S.No.	DATE	NAME OF THE ACTIVITY	RESOURCE PERSON
1	07-07-2020	National Webinar on Awareness On Covid – 19 - Morals With Covid – 19	Dr. Kaiser Jamil, Scientist and former Director Grade Scientist of CSIR-IICT
2	13-15th JULY 2020	National Level Microbiology E – Quiz - A General Take on COVID – 19 and Immunology	Mrs. Reddy Lalithya, Lecturer in Microbiology Department, KMICS was the Convener of the program
3	15-12-2020	Project “Training on Digital Pathology Annotations For Breast Cancer”	Dr. Rohit Tapadia, MBBS, MD
4	26-04-2021	Medical Microbiology E-Quiz	Mrs. B.T. Kanaka Durga
5	28-04-2021	Role of Microbes in Nanotheranostics	Dr. Ira Bhatnagar, Principal Scientist at premiere institute, Center for Cellular and Molecular Biology (CCMB)

**AWARENESS ON COVID – 19
NEW MORALS WITH COVID – 19
DATE – 07/07/2020**

**RESOURCE PERSON: Dr. Kaiser Jamil, Scientist and former Director
Grade Scientist of CSIR-IICT**

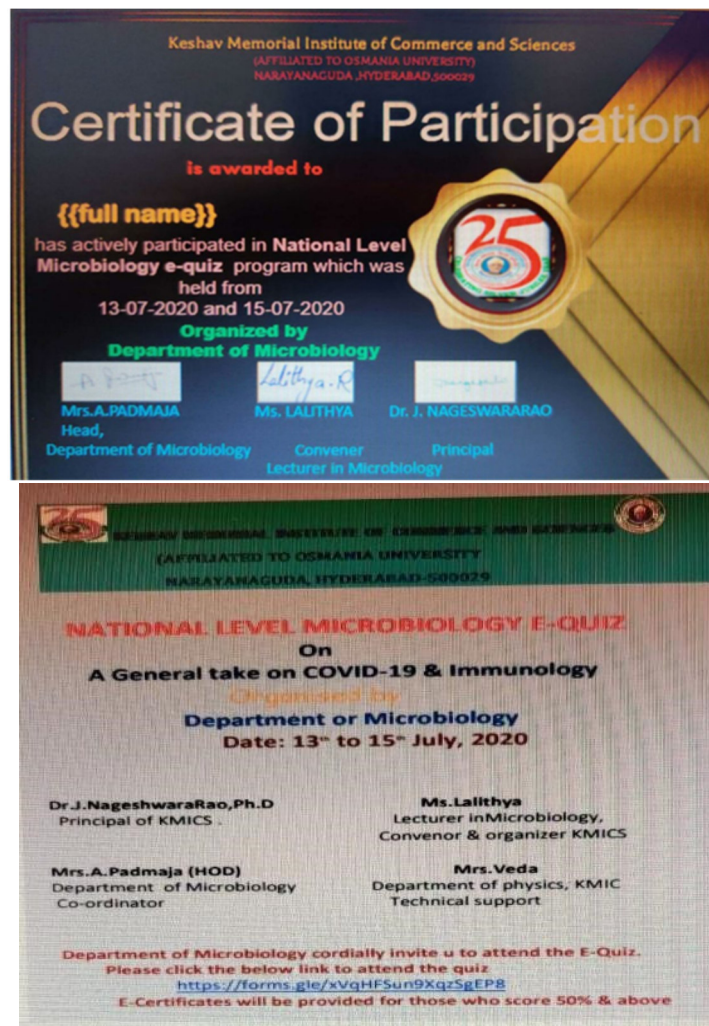

The speaker for the webinar was Dr. Kaiser Jamil, Scientist and former Director Grade Scientist of CSIR-IICT; is the Head of Genetics Department (HOD) – at Bhagwan Mahavir Medical Research Centre, Hyderabad. The webinar was aimed at giving the students the students detailed information about COVID 19 and corona virus. The speaker gave many tips regarding survival in the pandemic with taking utmost and minimum care and also how to boost ones immunity through consumption of good food in proper way. 85 participants attended the webinar including students and staff.

NATIONAL LEVEL MICROBIOLOGY E-QUIZ
TOPIC: A GENERAL TAKE ON COVID-19 AND IMMUNOLOG
DATE – 13TH – 15TH JULY 2020

Organized by Ms. Lalithya, Lecturer in Department of Microbiology

The aim of this national level e – quiz was to spread knowledge on COVID 19 and immunology to science as well as non-science students. 334 members from various colleges of India participated in the program. Certificates were distributed accordingly based on scores. Mrs. Reddy Lalithya Lecturer in Microbiology Department, KMICS was the Convener of the program.

PROJECT “TRAINING ON DIGITAL PATHOLOGY ANNOTATIONS FOR BREAST CANCER”

DATE: 15/12/2020

RESOURCE PERSON: Dr. Rohit Tapadia, MBBS, MD
Dr. S. Rajasekharan Professor in R & D, KMIT,
Dr. R. Devika Rubi, Associate Professor, R & D, KMIT

The aim of the project is to give awareness to the students regarding present sophisticated ways of diagnosing cancer and exposing them to modern techniques involved in oncology. To fulfill this 8 students, 4 of them from II year and 4 of them final year from Department of Microbiology, KMICS have been absorbed in to this project.

**Research & Development Centre, KMIT,
M/s. Tapadia Diagnostic Centre Pvt. Ltd. and
Department of Microbiology KMICS, Hyderabad.**

Jointly Invite you to the

Training on Digital Pathology Annotations For Breast Cancer

On
15th December 2020 at 2.30 p.m. Venue : FS6, KMIT

Resource Person

Dr. Rohit Tapadia MBBS,MD
Onco-Pathologist
Director, M/S. Tapadia Diagnostic Centre Pvt. Ltd.
Hyderabad.

Medical Microbiology E-Quiz

Conducted on 26-04-2021

JUDGE OF SESSION: Mrs. B.T. Kanaka Durga

Students of Bt/Mb/C II & III Years of KMICS participated in the program. The E – quiz was mainly conducted to increase the subject knowledge of students as the medical microbiology has major share in the present academic curriculum. Mrs. B.T. Kanaka Durga was invited and requested to act as judge for the session. Final year students were declared as winners in the competition.

The slide is titled 'Pattern' and lists the following details:

- A (II year)
- Round 1: 6 Questions (6x5 = 30 points)
- Round 2: 6 Questions (6x5 = 30 points)
- Round 3: 4 Questions (4x10 = 40 points)

A video conference window is overlaid on the right side of the slide, showing four participants: Raghavendra G, Padmaja Alilchala, Kanaka Durga, and a participant with ID 1110-19-487-023. The window also shows phone numbers 1110-19-487-03... and 111018487004... and a 'Please move this window away from the shared application' warning.

ROLE OF MICROBES IN NANOTHERANOSTICS

DATE: 28-04-2021

SPEAKER: DR. IRA BHATNAGAR, Principal Scientist at premiere institute Center for Cellular and Molecular Biology (CCMB), Hyderabad.

The speaker for the webinar was Dr. Ira Bhatnagar, Principal Scientist at premiere institute Center for Cellular and Molecular Biology (CCMB), Hyderabad. The webinar was intended to enlighten the students with modern technologies employed in the field of Diagnostic microbiology. The speaker gave insight in to the application of Nanotechnology in the field of therapy and presented various models currently used in the field of medical microbiology. 120 participants attended the webinar including students and staff from various universities.

The banner features a blue background with a DNA double helix and a network of nodes. At the top left is a '25' anniversary logo. The main text includes: 'KESHAV MEMORIAL INSTITUTE OF COMMERCE AND Arts & Commerce University, Hyderabad, 500004', 'NATIONAL WEBINAR', 'ROLE OF MICROBES IN NANOTHERANOSTICS', '28th April, 2021 at 3:00pm', 'Speaker: DR. IRA BHATNAGAR, Principal Scientist, CCMB', and 'Organized by DEPARTMENT OF MICROBIOLOGY'. It also lists organizers: 'Ms. A. PADMAJA, Asst. Microbiology Department, Coordinator' and 'Dr. K. SURESHWARA RAO, Principal, KCCU'. A note at the bottom states 'E-CERTIFICATES WILL BE PROVIDED'.

The screenshot shows a Zoom meeting grid with approximately 30 participants. The interface includes a 'REC' indicator, a 'Newly joined' notification for 'Navya chinmi and 32 more', and a bottom control bar with icons for 'Raise hand', 'Turn on captions', and 'Present now'. A chat message at the bottom left reads 'Shivani Pyrasani has left the meeting'.
