Date :29/8/18

Topic : CAREER GUIDANCE IN PG COURSES-2018

Organized by : Departments of Mathematics (p g)

Resource person : prof. V. Usha Kiran

Director, Directorate of placement cell O.U

AIM : To give career guidance to the freshers those who joined this academic year

OBJECTIVES : we all know that competitions and challenges are the part of today's world. Therefore to achieve our goal, we should plan our career well rather than aimlessly changing the job all the time. Career Counseling also refers to proper and positive planning to achieve our goal. Before counseling our future we should always keep in mind that we are not neglecting our interest. Proceeding to importance I would like to say that there is a great importance of counseling our career. Career counseling can help us to know our intentions and dreams and if we want to have a suitable future, career counseling is key to success.

Felicitation to the guest by our principal Dr.J.Nageshwar rao garu
