Alumni Contribution to Support Services

The main objective of the Association is to bridge the gap between the university and alumni. The association has been responsible for keeping complete track of alumni with their required details, and informing them about the current changes and achievements of the institute. Alumni association meetings take place yearly and future plans are discussed in the meetings. Along with the association meeting, the annual alumni meeting is also organized at the institute level every year. Alumni contribution takes place in various non-financial forms such as alumni interaction week, alumni challenge competition, etc. On-campus alumnae are actively engaged in designing and executing programs towards the benefit of the juniors, viz. conducting webinars, workshops, short training program activities, mock personal interviews, discuss business, and entrepreneurship development opportunities. During such interactions, alumni have highlighted the importance of current trends in the market and guided the students about career opportunities in different fields. They have also shared their personal experiences with students. Alumni visit campus at regular intervals to support the existing batch of students in planning and organizing events and extend support and guidance for the functioning of various student clubs. Alumni who are entrepreneurs have been providing inputs on how to start a new venture and turning them into job providers.

Whenever alumni visit the campus they motivate students to follow their path for the betterment of society. Alumni extend their support for campus placements and internships for various domains of students from time to time. The association organizes alumni meets under the banner '**KESHAV MEMORIAL INSTITUTE OF COMMERCE AND SCIENCES ALUMNI ASSOCIATION**' every year. It is a formal function that consists of an inauguration, alumni interaction with students, and cultural programs by the present batch of students followed by dinner. During the program, alumni give insights into various specializations and industries to the existing batch of students. Alumni share their corporate experiences, guide the current batch of management students, and assures the students to be in continuous communication with them.

Alumni assist their alma mater's current students by sharing their knowledge and experiences to help them succeed professionally. This can include offering advice on career choices, providing networking connections, recommending job opportunities, and serving as mentors to guide students through various challenges they may face during their academic and professional journey.

Guidance for Higher Education: The Alumni, pursuing their higher studies in various universities across the world, share their experiences and help the students in choosing specialization for higher education. The Alumni guide students appearing for PGECET, GRE, TOEFL, IELTS and other competitive exams.

Guidance on Placements: Our Alumni are placed in various reputed organizations like Wipro, Infosys, Accenture and many reputed organizations. They help the students to prepare for placements by giving suggestions on improving articulation and soft skills. They share their valuable experiences at work, so that students get accustomed to different work environments and learn standards of work and ethics.

Extra-curricular Activities: Our alumni support and encourage students to participate in various extra-curricular activities.
