

## GENDER EQUITY AND SENSITIZATION IN CO-CURRICULAR ACTIVITIES

Gender equity and sensitization in co-curricular activities are vital for fostering inclusivity and diversity. By promoting equal participation and representation regardless of gender, students learn to respect and appreciate each other's contributions. Incorporating discussions and activities that challenge gender stereotypes and biases can help create a more equitable and inclusive environment. Through intentional planning and awareness-raising efforts, co-curricular activities can serve as powerful platforms for promoting gender equity and sensitization, fostering a culture of respect, understanding, and equality among students. The students of our college have participated in various events at national and international level.

Ms. Bhavani of B.Com was selected by Osmania University to represent our state in Mountaineering Training Camp in Himachal Pradesh.

Mr. Krishna Chaitanya, B.Com Honours won Gold medal in National Archery Competition held in Bombay and was selected for International Archery competition to be held in Nepal in November 2019.
