

Report on International Education Expo – 2025

The *International Education Expo 2025* was successfully organized on **17th October 2025** at *Keshav Memorial Institute of Commerce and Sciences*, in collaboration with IQAC and the Placement Cell. The event aimed to provide students with global educational and career opportunities. Representatives from over **30 international universities** across the **USA, UK, Canada, New Zealand, Europe, and Korea** interacted directly with students, offering insights into admissions, scholarships, and internships. Exclusive benefits such as **no application or processing fees, on-spot profile evaluation, and up to 50% scholarships** attracted enthusiastic participation. Around **700–800 students** from both UG and PG programs actively attended the expo, exploring higher education pathways abroad. The initiative served as an excellent platform for global exposure and guidance, helping students make informed academic and career decisions. The event concluded successfully with positive feedback from participants and university representatives alike.
