WORKSHOP

Medical OF Microbiology Techniques at Tapadia Diagnostics Centre (Batch-I)

PROGRAM - 4

Department of Microbiology has organised a Workshop on medical microbiology Techniques at Tapadia Diagnostics Centre (Batch-I) on 21st November 2022 to 10 December 2022. The resource person was Dr Rohit Tapadia . He spoke and motivated the students about the actual scope of practice of an individual Medical Microbiologist is by setting their practice in academics , hospital, community, private or public health laboratories and in urban or rural settings

<u>Feedback of the students</u>: The laboratory sessions provide students an opportunity to revisit the subject under study in another platform through observation, identification, and interpretation. Demonstration of microbiological procedures through live demonstrations, mini-case studies, and critical thinking which, are facilitated by a tutor, forms the core of teaching and learning. The laboratory provides a platform where the knowledge and skills that are acquired can be put to practice in real-life scenarios by learning and hands on training at Tapadia Diagnostics RTCX roads.No of students participated 31.
