

Keshav memorial Education Society organised a 7day orientation programme for its high school teachers. Psychologists, Counsellors, Computer expert shared their knowledge to enable the teachers to further enhance their skills. Mrs, Deepa Ramanathan, Assistant Professor English of KMICS took grammar and pronunciation lessons and shared with the teachers on how to enhance their communication skills. The teachers realised the common errors in grammar and pronunciation they were making and resolved to correct the same

Mrs Deepa was felicitated by the Principal of Keshav Memorial High School on the final day of the programme.
