

DEPARTMENTAL ACTIVITIES 2021 – 2022

Ms. V Neeraja, HOD- Commerce receiving the 'Best teacher' award on the occasion of Foundation day celebrations, 20th July, 2021

.....

Activity: State-level FDP on Tally prime

Date: 25-09-2021

Resource Person(s): Mr. Venu Gopal & Mr. Chandra Sheker (ICPA – Institute of Computerised and Practical Accounts)

The Department of Commerce had organized a State level Faculty Development Programme on tally prime. The FDP was attended by 25 academicians teaching multidisciplinary streams in various Colleges and academic institutions across the State.

The dignitaries were welcomed by Principal. The inaugural session was addressed by the College Principal Dr. K Someshwar Rao focused on the relevance of innovative.

In the first session, HOD, Department of Commerce, enlightened the relevance of including practical cases in the discourse with the faculty. Professors shared his views on the Practice Based Learning (PBL).

The programme has given strength in the subject and an opportunity to improve the skills.

Glimpses of the workshop

Participants receiving certificates

Objectives:

- Faculty development programs (FDPs) have proven to be successful for improving teaching skills in higher education.
- Faculty fulfil a variety of roles as teachers whose commitment is to provide their students with expert instruction and guidance; as participants in the collegial community of the university; and as members of the community of scholars within their disciplines.
- Faculty development has as its goal, continued renewal and growth of the university faculty in all facets of their professional lives.

**Feedback Form for Faculty Participation
Faculty Development Programs on TALLY PRIME**

Name of the Faculty: A. Jayalatha
 Department: Commerce Department
 Name of the Institution: Anish Degree College, Saket
 Email Id: jayasishyam22@gmail.com Phone Number: 7207862088
 Program Date: 25/09/2021 Sessions Attended (FN/AN/BOTH): Both

1. What were the major takeaways for you from the program?
As Tally prime is a version of Tally, all the basics of this version has been covered by the resource persons. Overall the program was useful.
2. How do you plan to implement your learning from the program in your regular teaching and research work?
I would plan to implement my learning from the program through presentation (ppts) on every topic and demos.
3. How do you plan to share the gained knowledge/skill with your colleagues who did not attend the program? Do you plan to offer a training session mirroring the one you attended?
I would plan to share the knowledge which I have gained through this session, by explaining my colleagues through online exercise.
4. Overall, how do you rate the program you attended in terms of usefulness and effectiveness? (On a scale of 1 to 5, 1 being lowest): The program was usefulness & effective and my rating is 4.

THANK YOU FOR ATTENDING THE PROGRAM AND FOR FEEDBACK

Outcomes:

- This review article summarizes literature reviews and resource books on faculty development.
- The review also discussed how to establish FDP, presented its ideal structure, features that make FDP effective, and outlined the barriers to its successful implementation as well as the future vision.
- Finally, the review concluded that professional FDPs produce promising outcomes in the learning and teaching practices and recommended that teachers in higher education should attend FDP training activities on regular basis and that the scope of planned FDPs should extend beyond the health professions discipline, to include social skills necessary for collaboration, professional growth as well as management, and leadership abilities.

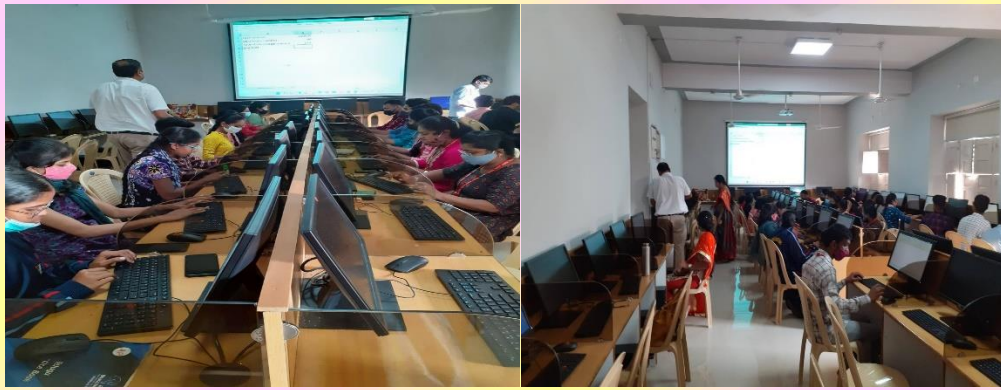

Activity: Add-on course on ‘Data Driven Decision Making with MS-Excel’

Date: 29-11-2021 to 29-12-2021

Resource Team: Impact Education, Academy of Business Accountants

Objectives:

- This course aims to provide skills and knowledge which will allow the student in order to learn MS Excel tools, techniques and create lookup functions, set Excel working options, enhance charts, protect worksheet data, perform advanced data operations using summarising, PivotTables, data consolidations, goal seeking, and Solver, and create and use macros.
- Microsoft excel is a familiar and most recommended tool for all industries from technical to management level.
- One of the main advantages of MS excel is that it facilitates smooth and easy data entry.
