## **A BRIEF HISTORY OF KESHAV MEMORIAL EDUCATIONAL SOCIETY**

Keshav Memorial Educational Society was established in 1940 by Pandit Vinayak RaoVidyalankar in memory of his father Sri Justice Keshav Rao Koratkar, who was a Judge of the then Hyderabad High Court, as part of the freedom movement. Justice Koratkar firmly believed that education of our youth would be the right means for their freedom so he had opened few schools in his native place which is now in Maharashtra. He was also one of the founder members of Vivek Vardhini Educational Society.

To fulfill the aspirations of his father, Pandit Vinayak RaoVidyalankar started a voluntary organization by the name of Keshav Memorial Educational Society in 1940.

### COLLEGE HISTORY

Since its inception in the year 1995, Keshav Memorial Institute of Commerce and Sciences is the flagship institution of the Keshav Memorial Educational Society. The institution has been striving to impart value-based education through various courses, like B.Com, B.Sc. in Under Graduation and M.Com, M.Sc. in Post-Graduation with diverse streams.

We believe in inclusive growth and sustainable development through education, which will instil a sense of responsibility and mold the students to be self-reliant and responsible citizens of the Nation. **With 1836 student force, 64 teaching staff, 33 non-teaching and supporting staff,** we have evolved as one of the esteemed institutions in Hyderabad. Soon, we are planning for NAAC Accreditation.

At present, it also strives to improve the skill set of the students. Many Add-on Courses like Tally, SAP, MYSQL, and Certificate Course in Communicative Skills in English are being conducted. There are many batches of students who enroll for these programs and are benefited by them. There is also a dedicated Physical Education Department, which tirelessly strives to identify the innate talent of students in various sports. Extensively trained and encouraging the students to participate in Inter-collegiate Competitions, National and International Competitions. We are proud of our students' achievements in the fields of powerlifting, Boxing, Skating, Taekwondo,

etc... Our College takes pride in having Women Empowerment Cell, Internal Quality Assurance Cell, Campus Placement Cell, Literary Club, and Faculty Club. All these units of the college are active in training the students and making them confident, motivated individuals. Eventually, they are getting placed in good Corporate Houses and other Companies. Our endeavour continues in enhancing the resources of our college to provide even better opportunities to the students to hone their skills. We have started NSS and NCC units of our own. As of now our students train in various NCC battalions of the city.

*Our College ranked 172<sup>nd</sup> in Commerce Colleges in India and 161<sup>st</sup> in Science Colleges in India by All India College Ranking, India Today 2021-22.*

*We obtained the 8<sup>th</sup> place in Commerce Colleges and the 10<sup>th</sup> place in Science Colleges in Telangana.*

The research journal provides a genuine platform for the researchers, academicians and students to share knowledge in all the subjects. It is the one place where one can sense the quality of research ideas. The college provides various National and International

journals through which the faculty gets the chance to communicate and synchronize their research activities leading to growth and application of research and technology

**Placement Information:**

The Placement Cell of KMICS College has had another fruitful year of placements. In the academic year 2022, the various companies approach us in their hunt /for fresh talent for their organizations. Each year, we invite and host companies on campus to hold recruitments for our students, and in spite of the job market looking bleak this time around, we saw many leading corporates recruit a considerable number of students from our campus. The aim is of placement cell to invite companies from various fields in order to make opportunities available for students from commerce and sciences UG and PG. The Placement Cell also acts as an interface between the students of the college and various companies that come for recruitment. The placement cell maintains constant contact with the students by sending the students regular mails notifying them about the companies that would be visiting thereby encouraging them to apply for the recruitment procedure. The placement cell in collaboration with several leading and new company held the virtual drives appropriate for most of the final year students who would be taking part in the cell has been successful in inviting several companies and maintaining a cordial relationship with them

### **456 PROJECT WORK**

The aim of the project is to give an opportunity to students to learn independently and they can identify, define, analyze problems or issues and integrate knowledge in a business context. It reflects the ability of a student to understand and apply the theory, the concepts and the tools of analysis to a specific situation. The project reports would be examined by the external examiner and based on the report and Viva Voce examination conducted at the end of the IV semester, a student will be awarded marks.

- 1) O, A, B, C, D, E and F grades are awarded on the basis of marks secured as per the directive given by the University.
- 2) For each paper there will be semester examination for 80 marks and 20 marks for internal assessment [15 marks for tests (average of the two tests) and 5 marks for assignment in the subject]
