A BRIEF HISTORY OF KESHAV MEMORIAL EDUCATIONAL SOCIETY

Keshav Memorial Educational Society was established in 1940 by Pandit Vinayak Rao Vidyalkar in memory of his father Sri Justice Keshav Rao Koratkar, who was a Judge of the then Hyderabad High Court, as part of the freedom movement. Justice Koratkar firmly believed that education of our youth would be the right means for their freedom. So he had opened a few schools in his native place which is now in Maharashtra. He was also one of the founder members of Vivek Vardhini Educational Society. To fulfill the aspirations of his father, Pandit Vinayak Rao Vidyalkar started a voluntary organization by the name of Keshav Memorial Educational Society in 1940. He established a middle school later, the same school has been developed into High School. In 1950 a Girls High School has also been established. Both the schools have been admitted into the grant-in-aid scheme of the state government. In 1974 a Junior College was started. It is also admitted into grant-in-aid. In addition to these we have unaided English Medium High school, unaided degree and PG College named as Keshav Memorial Institute of Commerce and Sciences. In the year 2007 we have started an engineering college with the name and Style of Keshav Memorial Institute of Technology. It is an institute striving for the development of various skills in the youth. We are also trying to place them in some company or the other. Towards this end we have started a finishing school wherein special training is being given to our students in co-operation with Teleparadygm, Hyderabad. In 2016-17 we have also started an unaided Law College called as Keshav Memorial Law College. In 2018-2019 Nel Gogte Institute of Technology and Keshav Smarak Junior College, A new Primary School began functioning. All these institutions are named after Keshav Rao Koratkar. That means they are called Keshav Memorial Institutions.

We have about 100 members to constitute the General Body of the Society. They elect the managing committee for a term of three years. The management committee consists of: President, Vice-President, Secretary, Joint – Secretary, Treasurer and other eight members. The managing committee is the main administrator and the Secretary is the Executive officer. He is responsible for implementing the decisions of the Managing Committee. The institutions run by this Society strive to inculcate the spirit of nationalism among the student and the education imparted is based upon Bharathiya Values of Education and Culture. We give freships to poor students, conduct medical camps, give uniforms to poor students. We also try to provide our students placements, with the help of various business houses and MNC'S.

Noteworthy programs like blood donation camp, NSS camp, NCC training, Personality Development Program and short term add on technical courses like Tally, SAAP are being conducted. We have also conducted a few programs like Varalakshmi Vratam, Batukkamma (Traditional festivals), as part of social responsibility. In the year 2019 Keshav Memorial Institute of Commerce and Sciences won the Best AllRound Development College from AMBITIONS. Our students of all the Institutions are performing well winning Gold Medals both in Academics and in Games and Sports Events (national and International).

Examination Branch

Examination branch of the college is the most important branch and it is a link between the university and college through which students register their names in the university and be eligible to appear for their courses. Students who are having any problem regarding examinations, can approach the examination branch headed by Sanjay Raj.

Semester Examinations and promotion system

As the college affiliated to Osmania University, it follows the semester system from the year 2016-17. The details are:

- * There will be two semesters in each year and there will be final examination at the end of each semester.
- * If a student has failed or likes to improve on his/her marks obtained in a semester, he/she is allowed to appear or improve during the next semester (even semesters).
- * Students can improve their marks of the semester examination, provided they clear all the papers of that semester.
- * There will be no detention at the end of the first, third and fifth semesters. If they pay university examination fee.
- * There will be detention at the end of second and fourth semesters, if a student fails in more than 50% of the total papers of first and second semesters, he/she will be detained at the end of the second semester even to get promotion to third and fifth semesters, student should not have more than 50% of papers as backlogs.

System of Internal Evaluation

In the Semester system, two internal examinations will be conducted in each semester for 15 marks each and average of two internal examinations is taken. Assignment marks, maximum marks 5, will be added to the average of internal marks.

Theory examination will be conducted for 80 marks by the OU in each subject at the end of each semester.

Example :

	Internal		Assignment	Average of Internals	Total
	1	2			
Maximum Marks	15	15	5	15	20
Marks Secured	10	11	4	$10+11/2=10.5$ Rounded to 11	$11+4=15$

Lab facilities:

Department of Chemistry, Physics and Microbiology are having spacious, ventilated and well equipped laboratories. Sufficient lab hours are provided to the students for conducting experiments. Experienced faculty and lab assistants will be helping the students in doing their experiments.

Department of Computers is having four labs consisting of 120 Computers which are loaded with the latest versions. The students are given lab hours during college hours and also allowed to practice even after college hours under the guidance of faculty and lab coordinators.

Department of Commerce is also maintaining Commerce Lab to have practical knowledge for commerce student.

How to Apply for Scholarship

The college provides scholarships to the eligible candidates of Schedule Caste, Schedule Tribe, Backward Classes, EBCs (Economically Backward Classes) and Minorities through the Sanctions of Social Welfare department of Government of Telangana and other Agencies. The eligible candidates have to apply through online within the stipulated date. To be eligible for scholarship, the income of the parent / guardian should not exceed the prescribed amount decided by the government time to time and the students should put up a minimum of 75% attendance.

Career Oriented Coaching

Recognizing the need to provide platform for the students to realize their dreams of joining the prestigious Administrative Services we are providing coaching classes.

In collaboration with DEEKSHA Foundation, New Delhi coaching is provided to IAS and IPS aspirants in the Campus.

Coaching for Groups I and II also is provided by the same organization.

In house Certificate Course in General Aptitude, Reasoning and English is also provided to the students for obtaining successful placements.

Online Courses

Our college encourages students to learn new courses for becoming self-reliant and academically and academically competent to face the competitive world. Enrolling in Massive Open Online Courses is mandatory for the students of the college. These are free courses which give open access and interactive participation by means of the Web.

Support A Student (SAS)

SAS programme initiated by formal principal Dr. J. NageswaraRao is now under the chairmanship of Dr. Someshwer Rao, Principal, Keshav Memorial Institute of Commerce and Sciences, to support the financially backward students. The main motto behind this programme is to tap "N.R.I. funds" for the career development of students who are pursuing Degree or P.G. in our college.

In the month of September the students information is gathered in a designed format to study about financial background, parental status, academic performance in our college and also in previous educational institution. All the students are interview and graded under three heads namely Badly needed, Needed and May be considered.

456 PROJECT WORK

The aim of the project is to give an opportunity to students to learn independently and they can identify, define, analyze problems or issues and integrate knowledge in a business context. It reflects the ability of a student to understand and apply the theory, the concepts and the tools of analysis to a specific situation. The project reports would be examined by the external examiner and based on the report and Viva Voce examination conducted at the end of the IV semester, a student will be awarded marks.

1) O, A, B, C, D, E and F grades are awarded on the basis of marks secured as per the directive given by the University.

2) For each paper there will be semester examination for 80 marks and 20 marks for internal assessment [15 marks for tests (average of the two tests) and 5 marks for assignment in the subject]
