A BRIEF HISTORY OF KESHAV MEMORIAL EDUCATIONAL SOCIETY

Keshav Memorial Educational Society was established in 1940 by Pandit Vinayak Rao Vidyalkar in memory of his father Sri Justice Keshav Rao Koratkar, who was a Judge of the then Hyderabad High Court, as part of the freedom movement. Justice Koratkar firmly believed that education of our youth would be the right means for their freedom so he had opened few schools in his native place which is now in Maharashtra. He was also one of the founder members of Vivek Vardhini Educational Society.

To fulfill the aspirations of his father, Pandit Vinayak Rao Vidyalkar started a voluntary organization by the name of Keshav Memorial Educational Society in 1940.

The Society is about 100 members to constitute the General Body of the Society They elect the managing committee for a term of three years. The management committee consists of: President, Vice-President, Secretary, Joint-Secretary, Treasurer and other eight members. The managing committee is the main administrator and the Secretary is the Executive officer. Secretary is responsible for implementing the decisions of the Managing Committee. The institutions run by this Society strived to inculcate the spirit of nationalism among the student and the education imparted is based upon Bharatiya Values of Education and Culture. The Society give freeships to poor students, conduct medical camps, and give uniforms to poor students. The Society also try to provide our students placements, with the help of various business houses and MNC'S.

Noteworthy programs like blood donation camp, NSS camp, NCC training, Personality Development Program and short term add on technical courses like Tally, SAAP, National Seminars, State level Workshops are being conducted. We have also conducted a few programs like Varalakshmi Vratam, Batukamma (Traditional festivals), as part of social responsibility.

About the College

Since its inception in the year 1994-95, Keshav Memorial Institute of Commerce and Sciences is the flagship institution of the Keshav Memorial Educational Society. The institution has been striving to impart value-based education through various courses, like B.Com, B.Sc. in Under Graduation and M.Com, M.Sc. in Post-Graduation with diverse streams.

We believe in inclusive growth and sustainable development through education, which will instil a sense of responsibility and mould the students to be self-reliant and responsible citizens of the Nation. With 2542 student force, 72 teaching staff, 32 non-teaching and supporting staff, we have evolved as one of the esteemed institutions in Hyderabad. Soon, we are planning for NAAC Accreditation.

At present, it also strives to improve the skill set of the students. Many Add-on Courses like Tally, SAP, MYSQL, IOT, and Certificate Course in Fashion Designing, Communicative Skills in English Tailoring, etc are being conducted. There are many batches of students who enrol for these programs and are benefited by them. There is also a dedicated Physical Education Department, which tirelessly strives to identify the innate talent of students in various sports. Extensively trained and encouraging the students to participate in Inter-collegiate Competitions, National and International Competitions. We are proud of our students' achievements in the fields of powerlifting, Boxing, Skating, Taekwondo, kabaddi etc... Our College takes pride in having Women Empowerment Cell, Internal Quality Assurance Cell, Campus Placement Cell, Literary Club, and Faculty Club. All these units of the college are active in training the students and making them confident, motivated individuals. Eventually, they are getting placed in good Corporate Houses and other Companies. Our endeavour continues in enhancing the resources of our college to provide even better opportunities to the students to hone their skills. We have NSS and NCC units of our own.

Our College ranked 148th in Commerce Colleges in India and 161st in Science Colleges in India by All India College Ranking, India Today 2020-21.

We obtained the 7th place in Commerce Colleges and the 10th place in Science Colleges in Telangana.

Examination Branch:

Examination branch of the college is the most important branch and it is a link between the university and college through which students register their names in the university and be eligible to appear for their courses. Students who are having any problem regarding examinations, can approach the examination branch headed by Mr Sanjay Raj, Lecturer in Commerce.

Semester Examinations and promotion system:

As the college is affiliated to Osmania University, it follows the semester system from the year 2016-17. The details are:

- ✎ There will be two semesters in each year and there will be final examination at the end of each semester.

- ✎ If a student has failed or likes to improve on his/her marks obtained in a semester, he/she is allowed to appear or improve during the next semester (even semesters).
- ✎ Students can improve their marks of the semester examination, provided they clear all the papers of that semester.
- ✎ There will be no detention at the end of the first, third and fifth semesters. If they pay university examination fee.
- ✎ There will be detention at the end of second and fourth semesters, if a student fails in more than 50% of the total papers of first and second semesters, he/she will be detained at the end of the second semester even to get promotion to third and fifth semesters, student should not have more than 50% of papers as backlogs.

System of Internal Evaluation:

In the Semester system, two internal examinations will be conducted in each semester for 15 marks each and average of two internal examinations is taken. Assignment marks, maximum marks 5, will be added to the average of internal marks. Theory examination will be conducted for 80 marks by the OU in each subject at the end of each semester.

	Internal		Assignment	Average of Internals	Total
	1	2			
Maximum Marks	15	15	5	15	20
Marks Secured	10	11	4	10+11/2=10.5 Rounded to 11	11+4=15

Lab facilities:

Department of Chemistry, Physics, Biotechnology and Microbiology are having spacious, ventilated and well equipped laboratories. Sufficient lab hours are provided to the students for conducting experiments. Experienced faculty and lab assistants will be helping the students in doing their experiments.

Department of Computers is having four labs consisting of 250 Computers which are loaded with the latest versions. The students are given lab hours during college hours and also allowed to practice even after college hours under the guidance of faculty and lab coordinators.

Department of Commerce is also maintaining Commerce Lab to have practical knowledge for commerce students.

How to Apply for Scholarship:

- In house Certificate Course in General Aptitude, Reasoning and English is also provided to the students for obtaining successful placements.

Online Courses:

Our college encourages students to learn new courses for becoming self-reliant and academically competent to face the competitive world. Enrolling in Massive Open Online Courses is mandatory for the students of the college. These are free courses which give open access and interactive participation by means of the Web.

Support A Student (SAS):

SAS programme initiated by formal principal Dr. J. Nageshwar Rao is now under the chairmanship of Dr. K. Someshwer Rao, Principal, Keshav Memorial Institute of Commerce and Sciences, to support the financially backward students. The main motto behind this programme is to tap “N.R.I. funds” for the career development of students who are pursuing Degree in our college.

In the month of September the student’s information is gathered in a prescribed format to study about financial background, parental status, and academic performance in our college and also in previous educational institution. All the students are interviewed and graded under three heads namely ***Badly needed, Needed and May be considered. Accordingly the Scholarships will be Sanetioned.***

456 PROJECT WORK

The aim of the project is to give an opportunity to students to learn independently and they can identify, define, analyze problems or issues and integrate knowledge in a business context. It reflects the ability of a student to understand and apply the theory, the concepts and the tools of analysis to a specific situation. The project reports would be examined by the external examiner and based on the report and Viva Voce examination conducted at the end of the IV semester, a student will be awarded marks.

1) O,A, B, C, D, E and F grades are awarded on the basis of marks secured as per the directive given by the University.

2) For each paper there will be semester examination for 80 marks and 20 marks for internal assessment [15 marks for tests (average of the two tests) and 5 marks for assignment in the subject

P-VI CH (OC) 452P	Spectroscopy and Evaluation of Physical Parameters Of Tablets

Marks Allotment for III & IV Semester (M.sc II Year)

Paper	Theory Marks	Paper	Practical Marks
P-I	80+20=100	P-V	100
P-II	80+20=100	P-VI	100
P-III	80+20=100	P-VII	100
P-IV	80+20=100	P-VIII	100

THEORY DETAILS:

For theory 100 marks are allotted, out of 100, 80 marks are allotted for O.U external examinations & 20 marks are allotted for internal exams internals are conducted 2 times in every semester for all papers and average is taken for both internals out of 20 marks 5 marks are allotted for assignment for any given topic (15+5 = 20 marks).75% Attendance is compulsory for in times internal & external exams

PRACTICALS DETAILS:

Every day practical classes will be conducted. After theory exams, practical exams will be conducted. Each practical paper consists of 75 marks. In total there will be 4 practical paper for second year Organic chemistry students. The practical exams will be conducted by the external examiner. Out of 75 marks, 10 marks are allotted for record and viva voice and 65 marks are allotted for major and minor experiments. 75 % of attendance is compulsory for writing practical exams.

M. Sc. Statistics I Year Semester I**Theory:**

Paper	Sub Code	Paper Title
I	STS1-I	Mathematical Analysis and Linear Algebra (MA & LA)
II	STS1-II	Probability Theory (PT)
III	STS1-III	Distribution Theory (DT)
IV	STS1-IV	Estimation Theory (ET)

Practicals:

Paper	Sub Code	Paper Title
V	STS1-V	Practical – I:Statistical methods using Python Programming
VI	STS1-VI	Practical – II : Linear Algebra, Distribution Theory and Estimation Theory (LA,DT,ET)

I Year Semester II

Theory:

Paper	Sub Code	Paper Title
I	STS2-I	Sampling Techniques (ST)
II	STS2-II	Parametric Inference (PI)
III	STS2-III	Linear Models and Design of Experiments (LM & DOE)
IV	STS2-IV	Multivariate Analysis (MVA)

Practicals:

Paper	Sub Code	Paper Title
V	STS2-V	Practical – I : Sampling Techniques & Parametric Inference (ST , PI)
VI	STS2-VI	Practical – II Linear Models and Design of Experiments and Multivariate Analysis (LM, DOE, MVA)

Marks Allotment for I Semester (M.Sc. I year)

PAPER	THEORY MARKS

M.Sc. Statistics**II Year****Semester III****Theory:**

Paper	Sub Code	Paper Title
I	STS3-I	Non-Parametric Inference (NPI)
II	STS3-II	Quality Control and Optimization Techniques (QCOT)
III	STS3-III	Elective – I Applied Regression Models (ARM)
IV	STS3-IV	Elective – II Advanced Design of Experiments (ADE)

Practicals:

Paper	Sub Code	Paper Title
V	STS3-V	Practical – I NPI, QCOT, ARM, ADE
VI	STS3-VI	Practical – II R + TORA

II Year**Semester IV****Theory:**

Paper	Sub Code	Paper Title
I	STS4-I	Stochastic Process (SP)
II	STS4-II	Time Series Analysis (TSA)
III	STS4-III	Elective – I Reliability Theory (RT)
IV	STS4-IV	Elective – II Advanced Operations Research (Adv.OR)

Practicals:

Paper	Sub Code	Paper Title
V	STS4-V	Practical – I:SP, TSA, RT, Adv. OR
VI	STS4-VI	Practical – II :SPSS
