

Statistics Departmental Activities in 2020-2021

1	Skill Hunt	A virtual platform to prove your talent	02-08-2020	
2	Guest lecture	Emerging Roles and career growth in the current industry	26-02-2021	Mr. k.Raju –Manager, Data science IBM.

REPORT ON VIRTUAL “SKILL HUNT”

A Virtual program “SKILL HUNT” was conducted by the Department of Statistics during the lockdown in the month of August. The agenda of the program is to provide “*A Virtual platform to prove their talents*”

In the competition the students were asked to send their skills like Singing, Dancing, Painting, Cooking, and many more in the form of photos and short videos by 30th July 2020 and the prizes were distributed on 2nd August 2020.

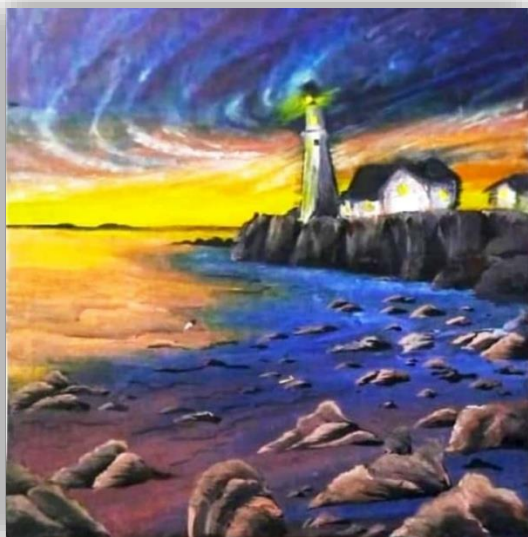

The Virtual program started by enlightening the participants about the achievements of the College by Mrs.V.Sumalatha , HOD Department of Statistics followed by a Welcome dance by Sharvani Shriya of B.Sc.(M.S.Cs) first year. The participants were addressed by our principal Dr. J. Nageswara Rao garu. Our guest “*Asfiya Khannam- A Blogger and content*” spoke about her experiences and how she achieved the goals in a short span of time.

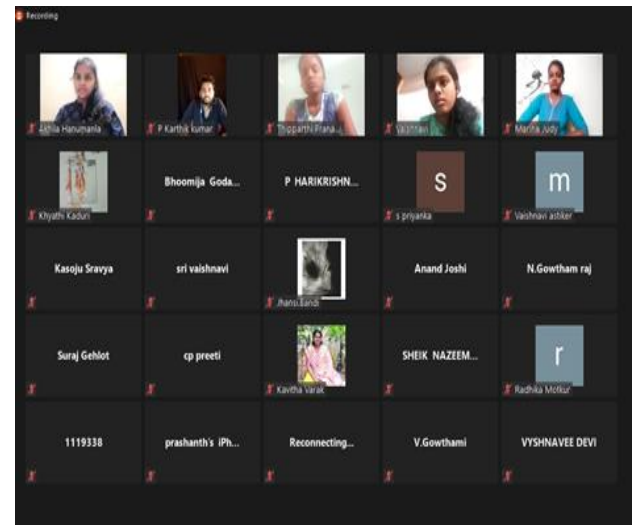

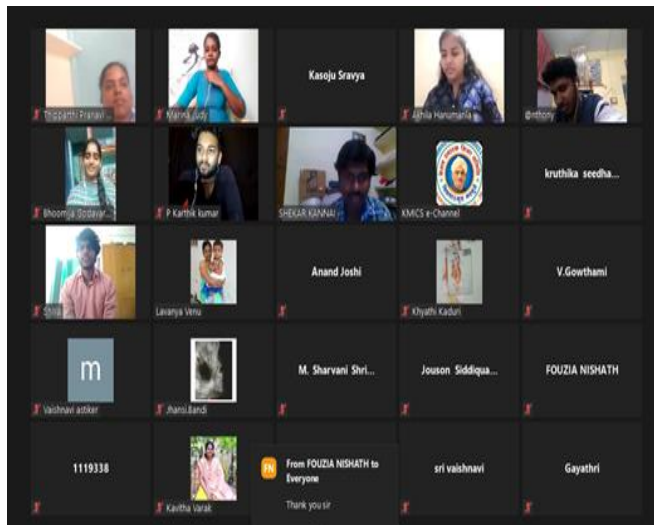

The videos giving glimpses of all the entries received were displayed, winners were announced by our Principal in 14 categories displaying their virtual certificates, and then the winners spoke about their experiences. The program was ended with a vote of thanks by Sripadh Deshpande, Lecturer in Statistics.

Photos:

The program was attended by more than 1500 viewers and more than 100 participants which included participants from all over Telangana and also from other states like TamilNadu, Assam, Bihar, Madhya Pradesh, and Andhra Pradesh.

Feedback from Students:

- The students were delighted by opportunity given to them to showcase their skills.
- The students requested to conduct such programs.

Report on Guest Lecture about Career Guidance

A guest lecture was conducted on “EMERGING ROLES AND CAREER GROWTH IN THE CURRENT INDUSTRY” on 26th February 2021 by K.Raju –Manager, Data science IBM. The program was started by the introduction of the guest by Mrs. A.Lavanya Lecturer in Statistics, followed by addressing the students by our Principal.

The guest spoke about the career growth in the current industry and explained the role of statistics with live examples. He also discussed Data Analytics in the field of banking sector.

The program ended with the vote of thanks by Marina Judy student of MSc. Statistics.
