## About Keshav Memorial Institute of Commerce and Sciences (KMICS)

Keshav Memorial Institute of Commerce and Sciences (KMICS), established in 1994 under the **Keshav Memorial Educational Society** founded in 1940, is a leading NAAC-accredited institution in Hyderabad. Offering programs such as BBA, B.Com, B.Sc and M.Sc, it serves around 3,500 students with a strong focus on academic excellence and holistic development. The college provides training in Data Analytics, MS Excel, R Programming, Python, soft skills and communication. Its AEDP courses-BBA (Logistics) and BBA (Retail Operations)-enhance industry readiness through practical exposure. Equipped with modern classrooms, laboratories, a comprehensive library, sports grounds and gym facilities, KMICS also promotes sustainability through Green Audits, solar energy usage and plastic-free initiatives. Cultural events and active student clubs further enrich the campus environment. The institution also boasts vibrant NSS and NCC units that regularly engage students in community service, national integration activities, leadership training and discipline-oriented programs, fostering responsible citizenship and social commitment among learners.

## About Vidya Bharati Uchcha Shiksha Sansthan (VBUSS)

VBUSS is a voluntary organization dedicated to transforming higher education through policy implementation and structural reforms. Rooted in Bharatiya knowledge and led by eminent scholars, it promotes a Bharat-centric educational ecosystem, fosters dialogue among stakeholders, and pioneers efforts to integrate NEP 2020 principles into curriculum and classroom practices.

## About Bharatiya Bhasha Samiti

The Bharatiya Bhasha Samiti, under the Ministry of Education, promotes India's rich linguistic heritage through events, workshops, and awareness campaigns. It develops educational resources, supports translations and research, and encourages the use of Indian languages across academia and daily life, fostering inclusivity, cultural pride, and linguistic unity.

## About the Seminar

India's rich linguistic heritage reflects centuries of cultural continuity and knowledge exchange. The volumes *Bharatiya Bhasha Parivar: A New Framework in Linguistics and Perspectives* and *Horizons* reinterpret this legacy through a decolonised lens, proposing an integrated framework that highlights the organic unity among Indian languages. Drawing from multiple disciplines, they reinforce NEP 2020's emphasis on mother-tongue-based education and multilingual pedagogy. This vision is highly relevant to Telangana's diverse linguistic landscape, where schools operate in Telugu, Kannada, Marathi, Gujarati, and other Indian languages. The proposed two-day seminar aims to explore these ideas, featuring book releases, expert talks, and practitioner presentations. It seeks to inspire practical strategies for implementing culturally grounded, multilingual education across the state.
