Venue: Near Gandhi Hospital, Secunderabad

Organised by: NSS Unit, Keshav Memorial Institute of Commerce and Sciences (KMICS)

Report:

On the occasion of *World Food Day* observed on **16th October 2025**, the NSS volunteers of KMICS organized a **food distribution drive** near **Gandhi Hospital**, Secunderabad. The initiative aimed to create awareness about the importance of eliminating hunger and ensuring food security for all.

Volunteers actively participated in distributing cooked meals to the needy and patients' attendants outside the hospital premises. The program reflected the true spirit of service, compassion, and social responsibility among students.

Outcome:

The activity helped students understand the significance of food sharing, empathy, and community service. It also inspired them to

continue contributing towards hunger eradication initiatives in society.
