Educational tour to ICRISAT, patancheru, Hyderabad and Biogas
plant, Bowenpally, Hyderabad
9/05/2022

Department of Chemistry has planned a field trip to ICRISAT (International Crop Research Institute for Semi-Arid tropics), Hyderabad and Biogas plant, Bowenpally, Hyderabad. 37 students from final year BTMBC and 2 students from B.Sc MPC were accompanied by Faculty Ms. G. Himabindu, Dr. B. Kiran Kumar, Ms. R. Aruna Kumari . The tour was planned as part of academics (Agriculture and fuel chemistry) and was very useful to final year students.

Biotechnology and Chemistry Departments faculty with 3rd year BtMBC students at ICRISAT

Dr. Arun, Scientist at ICIRSAT addressing 3rd year BtMBC students.

Demonstration of Hybrid varieties of Plants that were developed to grow in semi-arid regions and varieties producing higher yields

At Biogas Plant, Bowenpally, Hyderabad

Mr. Sandeep, Engineer at Biogas plant

demonstrating Biogas production to BtMbc 3rd year students

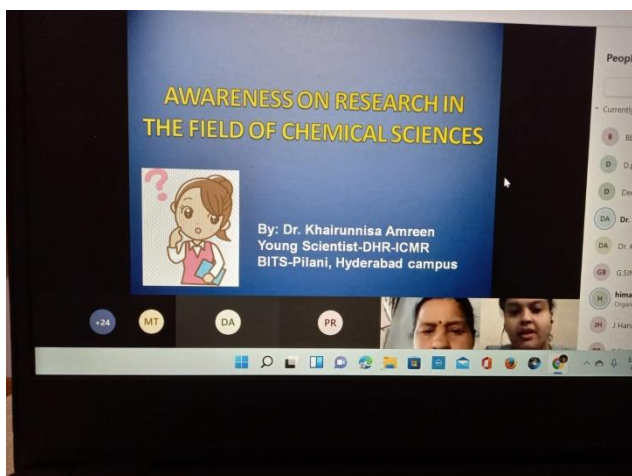

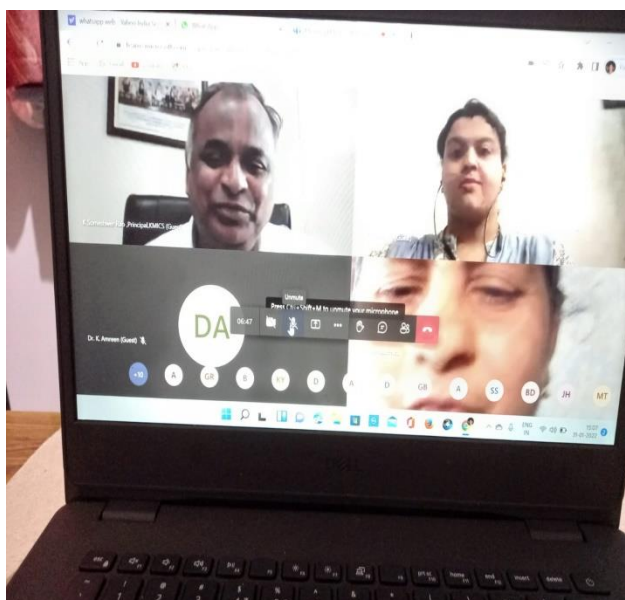

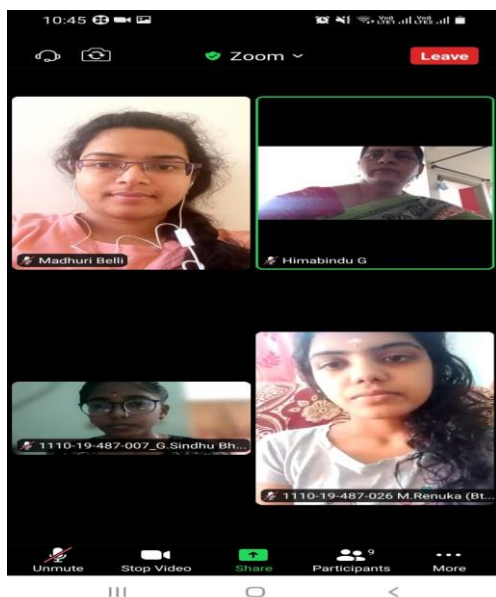

Report on
OSMANIA UNIVERSITY OPEN DAY PROGRAM 2022
DATE: 24-03-2022

Department of Chemistry, Osmania University, Hyderabad has conducted open day on 24th March 2022. Total of 30 students from first, second and final year BTMBC and MPC were accompanied to the open day by Mrs. G. Himabindu, Mrs. R. Aruna Kumari. Students interacted with Professors, Assistant Professors and Research Associates of Department of Chemistry, OU. Physical, organic and inorganic labs were visited by the students and instrumentation related to the undergraduate students were very well explained by the research scholars working in the department. Students got awareness on the pilot projects being carried out in the Department of Chemistry.

NATIONAL WEBINAR ON “AWARENESS ON RESEARCH IN THE FIELD OF
CHEMICAL SCIENCES”
DATE: 31-01-2022

Department of Chemistry has conducted webinar on “Awareness on Research in the Field of Chemical Sciences” on 31st January 2022. The resource person was Dr. Khairunnisa Amreen, Ph.D, Young Scientist – ICMR-DHR, MEMS, Microfluids and Nanoelectronics lab, BITS, Pilani, Hyderabad campus. Convenors was G.Himabindhu, Head Department of Chemistry (UG). 80 participants were involved in this webinar. The webinar was very informative and gave awareness to the students about the current research trends going on in the field of chemical sciences.

REPORT ON
POWERPOINT PRESENTATION COMPETITION ON
“ROLE OF CHEMISTRY IN AGRICULTURE”

10/11/2021

Department of Chemistry (UG) has organized an INTER COLLEGIATE POWER POINT PRESENTATION COMPETITION on 10th November 2021 titled “**ROLE OF CHEMISTRY IN AGRICULTURE**” The main objective of this programme to provide synergy in learning and competitive spirit in students. A therapy to cure the secretive and score oriented approach towards education. Students will learn various strategies to inculcate cooperative learning and teaching towards qualitative competition. Students from various colleges in city are involved. All the participants are nicely given their presentation. Dr.D.Anuradha, Assistant professor, Government degree(w) college, Hussaini alam,Hyderbad was invited as judge and guest of honor for this program. Ist, IInd and special prize for winners were awarded with prize money and certificates were given to every participant.

REPORT ON CHEMISTRY LAB INAUGURATION

Date – 28/10/2021

Chemistry lab was inaugurated on 28th October 2021, after renovation work. Department faculty performed pooja and celebrated the inauguration function with other faculty members. Students were also invited. Principal Dr.K.Someshwer Rao garu was involved. Chemistry Lab (1 & 2) are equipped with stools, tables, construction of platforms with glazed tiles, new taps, and burners along with new furniture. Now both the labs are very convenient for the students to perform the experiments.
