

# Extension Lecture on Transaction Management in DBMS

Date : 1<sup>st</sup> June 2022 , Time: 11.30-1.00 PM,

Venue: UG Seminar Hall , II Floor, KMICS

The Department of Computer Science conducted an extension lecture on “**Transaction Management**” in DBMS from 11.30am to 1.00 PM for II BSc IV Semester ( MScs/ MPCs) on 1<sup>st</sup> June 2022 in UG seminar Hall, II Floor at KMICS. The speaker of the lecture was Mr.PurnaChary Munugadapa, Ass.Prof, Department of Informatics,Nizam College,O.U, Hyd. The objective of this program is to provide the students with a deep understanding of ACID properties and various transaction processing models and how these models influence the design of applications involving transactional access to a database. The lecture was attended by 65 students. At the end of the lecture, Speaker briefly touched upon the important points during the lecture and resolved the queries of the students. Overall the lecture was very informative and all the students benefited from it.
