Idea Pitching Session on Artificial Intelligence (AI)

Session Details

Title of the session: Idea Pitching Session on Artificial Intelligence.

Date: 02/02/2026

Activity Category: IIC Calendar/MIC Driven/Self Driven/Celebration

Theme: : To enhance student's understanding of emerging AI trends, promote critical thinking, and develop presentation and communication skills.

Venue: B. Sc Computer Science Lab, KMICS

Organized by: Keshav Memorial Institute of Commerce and Sciences, Department of Computer Science

Objectives of the Program

- To promote innovative thinking and creativity using AI concepts
- To develop problem-solving and analytical skills among students
- To encourage application-oriented learning in Artificial Intelligence
- To improve communication and presentation skills
- To create awareness about AI-based startups and career opportunities

Outcome/Report of the activity:

The **Idea Pitching Session on Artificial Intelligence** was conducted to encourage students to think innovatively and propose AI-based solutions to real-world problems. Students actively participated by presenting their ideas individually and in teams, demonstrating creativity, problem-solving skills, and awareness of emerging AI technologies.

The session provided a platform for students to express their thoughts confidently, receive constructive feedback from faculty members, and understand how AI concepts can be translated into practical applications. The activity aligned with MIC objectives by fostering innovation, critical thinking, and entrepreneurial mindset among students.

Key Highlights

- Students presented innovative AI-based ideas addressing real-time challenges
- Focus on practical implementation and societal impact of AI
- Encouragement of ethical and responsible use of AI

MIC DRIVEN ACTIVITY

On

“Idea Pitching by Students on Artificial Intelligence”

Date: 2nd February 2026

Date: 28-01-2026

Subject: MIC Driven Activity - Idea Pitching on Artificial Intelligence (AI).

Dear Students,

The Department of Computer Science, Keshav Memorial Institute of Commerce & Sciences, is organizing an Idea Pitching Session on Artificial Intelligence (AI) under MIC Driven Activities.

This event aims to encourage students to showcase their innovative ideas, enhance critical thinking, and promote creativity in emerging AI technologies.

Students will be given an opportunity to present their ideas related to Artificial Intelligence, its applications, innovations, and future impact. This activity will help students improve their presentation skills, confidence, and problem – solving abilities.

Event Details:

- **Event:** Idea Pitching on Artificial Intelligence (AI).
- **Date:** 2nd February 2026
- **Participants:** Open to all interested students

All interested students are encouraged to participate actively and make the best use of this opportunity to express their ideas and creativity in the field of Artificial Intelligence.

We look forward to your enthusiastic participation.
